## EARLY ENTRANCE NOTICE

Children must be five years old by August 1st to enroll for Kindergarten classes in Olmsted Falls School District. The District is frequently contacted with questions regarding early entrance of children into Kindergarten. According to Ohio Administrative Code, if a child does not turn age 5 by the District cut-off date (August 1st) but turns 5 by January 1st, the parent may request that the child be tested for possible placement in Kindergarten. Children who do not meet the mandatory cut-off date (August 1st) cannot be admitted into Kindergarten unless they meet the criteria for early admission pursuant with the District's adopted Acceleration Policy for Advanced Learners. The standards, which have been established by the District for the purpose of early admittance, emphasize skills and characteristics which correlate with success in an academically oriented program. The evaluation is designed to identify those children who are functioning at a superior level in all developmental areas including intelligence, academic readiness, social/emotional maturity, verbal abilities and physical development. To discuss the appropriateness of early entrance for an individual child, please contact Merritt Waters, Director of Student Services at (440) 427-6140 or [mwaters@ofcs.net](mailto:mwaters@ofcs.net).

## IMMUNIZATION RESTRICTIONS

A student is not permitted to remain in school for more than 14 days, unless written evidence is presented to school officials that the student has been immunized by a method approved by the Ohio Department of Health. Students must be immunized against poliomyelitis, diphtheria, pertussis, tetanus, and measles, or be in the process of being so immunized. Ohio Immunization Law requires that all children present written evidence of immunity to mumps and rubella. If you have a question about this policy, or feel you have a reason why your child should not be immunized, please contact your building principal.

## MEDICATION POLICY

An **important reminder** to parents regarding the Medication Policy for all buildings:

- All medication must be brought to school by a parent or responsible adult - except for EpiPen injectors or asthma inhalers *with a physician's self-carry order*. Medications cannot be transported to school on the bus - with exception of aforementioned EpiPen injectors or asthma inhalers *with a physician's self-carry order*.
- Medication Forms can be downloaded from the school website or obtained from the school office.
- A Medication Form **MUST** accompany ALL medications before they can be administered. Prescription medications require both a physician and parent signature; over-the-counter medications require only a parent signature.
- All over-the-counter medications are given per package instructions, unless ordered by a physician.
- All medication must be in its original container.

Health Care Action Plans and/or Medication Order Forms have been sent home with all students with health conditions who may require treatment at school. Blank copies of the Health Care Action Plans and/or Medication Order Forms for the 2010-11 school year were sent home with students at the end of this past school year. Please be sure both parent and physician signatures are included on the form(s). If you did not receive a Health Care Action Plan and you feel your child needs one, please call your child's school health clinic on the first day of school.

Newly registered preschoolers & kindergartners in need of a Health Care Action Plan and/or Medication Order Form should contact the school health clinic on the first day of school.

## FEDERAL FUNDS NOTICE

Federal Funds are provided to school districts on an annual basis for specific programs. Though these Federal Funds amount to less than 3% of the total general fund, they are used judiciously to supplement District teaching and learning programs in areas such as reading, special education, math, professional development, special education, drug use prevention, safety awareness, early childhood education and interventions for at-risk students. If you wish to provide input or have questions, please contact the Director of Student Services at 427-6140 or [mwaters@ofcs.net](mailto:mwaters@ofcs.net).

## STUDENT ACCIDENT INSURANCE

Voluntary Student Accident Insurance Forms are available in all school building offices. If interested in obtaining a form or additional information, please contact the respective school building.

### IMPORTANT NOTICE: STUDENT DIRECTORY INFORMATION

The Olmsted Falls School District designates the following items as "Directory Information:" a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; honor rolls; or scholarships. **Parents and/or eligible students have ten (10) days after receipt of this public notice to view the student's "Directory Information" and to provide notice in writing to the school district that they choose not to have this information released.** Unless notified to the contrary in writing within the ten (10) school-day period, the school may disclose any of these items designated as "Directory Information" without prior written consent. ## EZpay SYSTEM CONTINUES FOR 2010-2011

### Important Note: See Change In Usage Fee Below

Based on continued positive response from parents, the Olmsted Falls School District will continue to make the EZpay online system available for the payment of school meals and school fees for the 2010-2011 school year.

Parents with already established accounts for their student(s), and whose students will be in the same building as last year, may continue to utilize the system as usual (*entering your credit card information for each transaction*). Parents with students who will have moved up to a new building for the coming school year will need to enter your child(ren)'s ID number the first time you use the system this year to ensure payments are credited to your child's new current building. Parents of new students in the District will be provided with information regarding how to establish a new account.

**Please note: Due to a change in Visa rules, the usage fee for EZpay will no longer be based on a percentage of the amount being added to the account. Effective for the 2010-2011 school year, there will be a flat fee of \$1.50 per transaction.**

For additional information on the EZPay system, please contact Director of Food Services Denise Tabar at 427-6440, or call EZpay directly at (866) 693-9729.

## CHILD FIND NOTICE

School districts across the State participate in an effort to identify, locate and evaluate all children from birth through 21 years of age who may have disabilities. Disability, in this instance, means such conditions as hearing or visual impairments, speech or language impairments, learning or behavioral disabilities, multiple disabilities, other health impairments, physical impairments, autism and traumatic brain injury. A referral may be initiated by parents or agencies knowledgeable of the child's needs.

Upon receipt of a referral, Olmsted Falls City Schools will seek further information about the child using a variety of possible sources such as interviews, screening and testing to determine whether the child qualifies for special education services. All information will be held in strict confidence and released only with parental permission or as required by law. Please contact Merritt Waters, Director of Student Services at (440) 427-6140 or [mwaters@ofcs.net](mailto:mwaters@ofcs.net) for more information or assistance.

## GIFTED IDENTIFICATION NOTICE

The Olmsted Falls City Schools gifted identification plan identifies students in the areas of superior cognitive ability, specific academic ability, creative thinking ability, and visual and/or performing arts ability. The identification process consists of three phases: referral, screening and assessment.

Specific criteria for identification are used for each area. A teacher or parent may refer children for identification by completing and submitting the application form, available at each building, during the first week in September or the first week in March.

Additional information may be obtained by contacting Peggy Morris, Coordinator of Gifted Services at (440) 427-6500 or [pmorris@ofcs.net](mailto:pmorris@ofcs.net), or Merritt Waters, Director of Student Services at (440)427-6140 or [mwaters@ofcs.net](mailto:mwaters@ofcs.net).

Travel time is calculated from portal-to-portal at the time the bus would normally transport a student to school in the morning.
