

Dear Parent,

In accordance with House Bill 66, the Olmsted Falls School District is distributing information regarding the acceleration of students. We are providing information regarding the acceleration procedures and policies.

After reading the material, should you feel the student is a candidate for acceleration, please complete the referral form and permission for assessment and return it to the gifted resource teacher at the student's school. This procedure may involve several tests being administered to the student and a significant amount of time out of the regular classroom.

If you have any questions, please contact me at (440) 427-6572.

Sincerely,

Peggy Morris
Gifted Coordinator
